When was the last weekend you did something special alone together?

Most couples are busy with work and family. It seems that every moment of the day is planned and there's never enough time to get everything done. When was the last time you had a weekend alone? Consider planning a weekend away just the two of you, to renew your marriage relationship.

A Worldwide Marriage Encounter weekend is a positive, renewing experience for couples that have a good marriage, but want to make it even better!

Who is it for?

Any married couple that desires a richer, fuller life together. A marriage can never be too good. Worldwide Marriage Encounter is designed to deepen and enrich the joys a couple shares together, whether they have been married only a short time, or many years.
